

THE SPIRIT-LED LIFE

LESSON 3: ARE YOU SOULISH OR SPIRITUAL? (ROM 8:1)

By Paul Ooi (13/3/16)

1. Walking after the flesh is being SOULISH

- a. After we are born again, we can still choose to disobey God and become soulish, i.e. instead of our spirits ruling our lives, we let our souls rule.
- b. Being soulish is to be self-centred. I think, I feel, I want.

2. Walking after the Spirit is being SPIRITUAL

- a. Letting the Holy Spirit rule our lives through our spirits is God's perfect will and design.
- b. Being spiritual is to be God-centred. How can I please God?

3. How to be a SPIRITUAL MAN – Psalms 23

- a. Let Jesus be our shepherd who loves and leads us.
- b. Hear and obey our shepherd's voice.
- c. Walk in humility, being submissive to God and totally dependent upon Him.
