

HOW TO FLOURISH

Ps Paul Ooi (8/10/2017)

Scripture – Joshua 1:1-9

1. To flourish is the progressive realization of God's will/purpose/dream for us
2. The enemies we face – Fear, unbelief, deception
3. Be strong and courageous – The situation may be scary, but do not be scared
4. Overcome by applying the Divine Exchange continually, by the eternal Spirit of God
5. Practise God's grace of repentance from dead works, and of faith towards Him
6. Think, proclaim and act out God's Word
7. Homework – Saturate our lives with just 1 Bible verse for the next 30 days e.g. Joshua 1:8, Galatians 2:20, Romans 8:28
